What is your online learning goal? How will you know when you’ve reached it?

**Sketchnoting**

**What to know about Sketchnoting**

Being efficient & communicative is more important than making it look good.

Sketchnote lectures as you listen, refine them later to retain information, or take regular notes and sketch later.

---

**-Connectors**
- Bring together ideas and information.

**Containers**
- Group like info together.

**Emphasis**
- Accentuate important info.

**Shapes**
- Think you can’t draw? Rely on basic shapes to build simple, communicative images.

1. 2. 3.

**Skinny & Fat Letter**
- 3D
- All caps
- Lower case
- Script
