

# Bookmarks with Love

## Supplies

- 1 envelope
- 1 sheet of white paper
- Paper
- Pencil
- Scissors
- Glue
- Colored or patterned paper

## Instructions

**Step 1:** Fold a sheet paper diagonally. Draw half of a heart in the corner of the paper. Cut it and then unfold.

**Step 2:** Place that full heart on top of the bottom corner of an envelope, with points aligned. Cut around the heart — that's your bookmark.

**Step 3:** Draw a smaller heart inside of your original paper heart and cut it out.

**Step 4:** If you have patterned paper, place this smaller heart on the patterned paper and cut around it. If you don't have patterned paper, simply draw on or decorate your smaller heart however you'd like!

**Step 5:** Put glue on the bottom of the patterned or decorated heart and place it in the middle of the bookmark.
