

# Snack Stadium Instructions

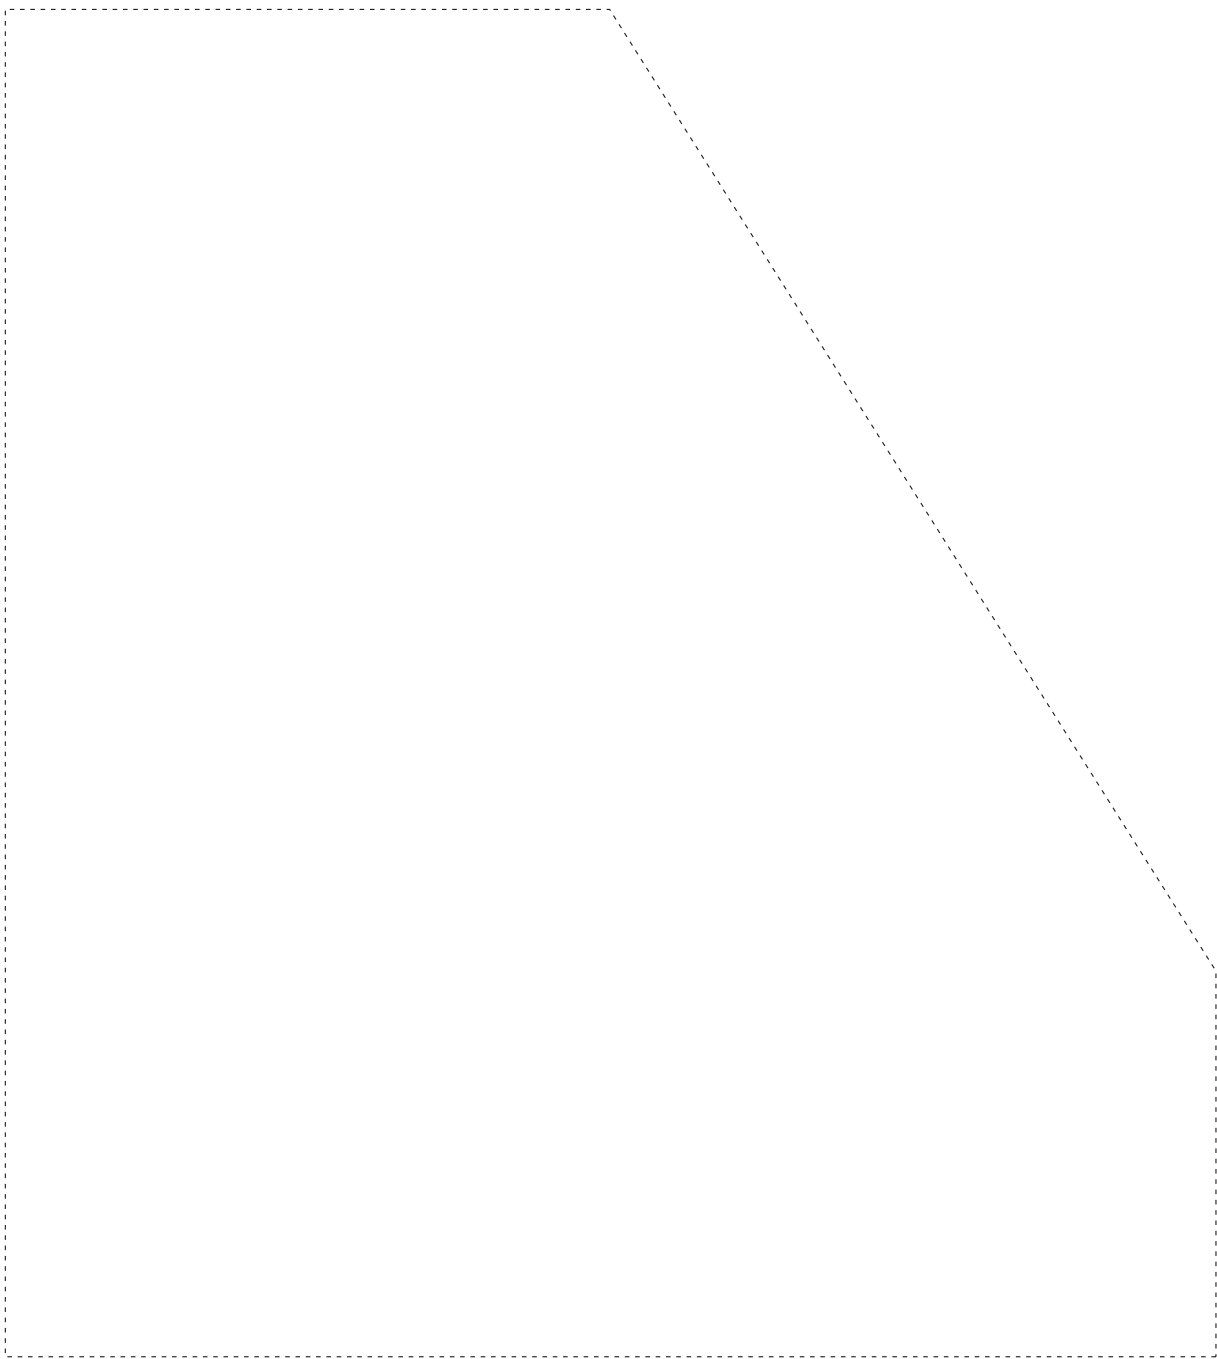

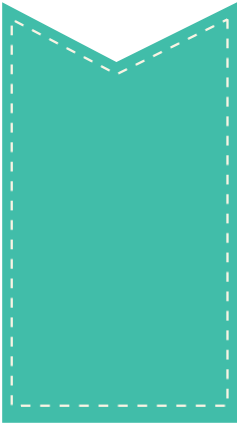

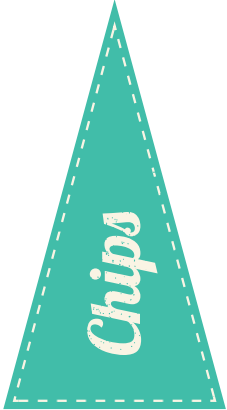

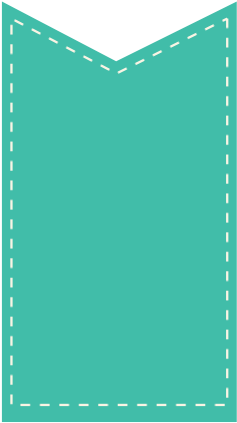

## What you will need

1 large box (we used a 24x16x12 inch one)  
Scissors or box cutter  
Baking dish or plate (we used a 7x10 inch pan)  
Green construction paper cut to fit inside dish  
Hot glue gun  
Any snacks you'd like!

## Instructions

1. Assemble and secure the bottom of the box with packing tape.
2. Cut sides of box to be 7 inches tall.
3. Place pan into the center of the box and line with green paper.
4. Use extra cardboard and divider template to cut as many dividers as needed for your snacks. Trim as necessary.
5. Using a hot glue gun, carefully lay a bead of adhesive along the bottom and side of each divider and slide it into place. CAUTION: glue is hot.
6. Once tacked in place, run a bead of glue along the bottoms of each divider to secure.
7. Use as many signage items as you wish!
